5 _____	_____

You can receive support for these steps from the CAT and your home club's EVP, your club members and especially from members from other clubs. However, the responsibility for your progress remains clearly and firmly in your hands - we encourage you to become familiar with the systems and processes to make this faster or easier for you. Remember: This is **your** DTM.

Challenges that you will probably overcome along the way include...

- Making the time to prepare your speeches
- Choosing your topics
- Raising your personal standards
- Getting started...
